G  D  C  D

G
 You don't know what's going on;
D
 you've been away for far too long
C                                          G    D
 You can't come back and think you are still mine
       G              C
You're out of touch my baby,
   D                 G
my poor old fashioned baby
       C           D7                 G
I said baby, baby, baby you're out of time

      G                              D
Well, baby, baby, baby you're out of time
        Em                             C
I said, baby, baby, baby you're out of time
                  G  C G              C
Yes, you are left out,  (yes you are)  left out of there without a doubt;
      G           D7                 G
cause baby, baby, baby you're out of time.

    G
You thought you were a clever girl;
D
 giving up your social whirl
C                                          G    D
 But you can't come back and be the first in line
       G           C
You're obsolete my baby,
   D                 G
my poor old fashioned baby
       C           D7                 G
I said baby, baby, baby you're out of time

      G                              D
Well, baby, baby, baby you're out of time
        Em                             C
I said, baby, baby, baby you're out of time
                  G  C G              C
Yes, you are left out,  (yes you are)  left out of there without a doubt;
      G           D7                 G
cause baby, baby, baby you're out of time.
